25X1 5. Talked to [] indicating [] had inadvertently bound the transcript of the Director's appearance on 24 February 1960 in the wrong order and since about 90 pages were involved it was thought 25X1 desirable that the job be redone. [] agreed. In addition, I suggested that if there was no objection by the Committee, the Director's statement could be bound into the record as could also the one piece of committee 25X1 business that was transacted. [] agreed on all of this and arrangements were made to point out the specific spots. 25X1
